

PAT Testing Competency Course

All of our training is provided to the highest standards. We take customer feedback extremely seriously, and through training hundreds of candidates, we've developed training courses that are professional, ran by experienced tutors and help our customers to gain officially recognised qualifications in several different disciplines.

Our trainers deliver our training courses in an approachable, easy-to-understand and enjoyable manner, ensuring you get the best possible training experience. Every trainer we use is fully qualified, individually accredited and will work closely with you throughout the course to ensure you get the knowledge you need.

Course Overview

The PAT Competency course is ideal for those who would like to learn PAT testing in a more practical way.

This is not a City & Guilds qualification (however we do offer the C&G 2377-77) but it can provide a more practical approach to learning and helps to teach candidates all the practical elements of actually carrying out PAT testing in a professional capacity.

Course Details

Who is this course suitable for?

For anyone interested in starting their own PAT testing business or to carry out PAT work for a company would benefit from this course, it is also suitable for those responsible for maintaining electrical appliances and equipment in a workplace.

Course Aim

This course covers practical and theoretical elements, offering a lot of practical learning opportunities, learners should be able to demonstrate a good understanding and be able to use the equipment effectively and correctly.

What Does the Course Cover?

- ▶ Basic principles of electricity
- ▶ Classifications of appliances
- ▶ Electrical changes
- ▶ Legal requirements
- ▶ IET Code of Practice
- ▶ Recording results
- ▶ How to use a PAT Tester

Entry Requirements

There are no prerequisites for this course. Anyone attending training should have a good level of both spoken and written English.

Assessments

You will be required to pass a 20 question open book examination. Learners are closely monitored to ensure they have fully grasped the rules, regulations and overall subject matter.

Course Certification

On successful completion of the course assessment you will receive a PAT Competence Certificate and will be fully qualified to PAT test.

Course Materials

Learners can bring with them a current copy of;
IET Code of Practice: Inspection & Testing of Electrical Equipment- 5th Edition, this can be purchased at www.testers.co.uk for £53.00, this is not essential but would prove useful.
